Fire coverage is finally settled in township

Lutterworth Township has guaranteed that it will have fire protection for the next two years. However, it will have to pay the price.

An increase of 150 per cent in the standby fee is the cost the township will bear in order to continue receiving fire protection from Anson, Hindon and Minden Townships. Council passed a bylaw last Thursday to authorize the township to enter into an agreement for fire protection with Minden.

Lutterworth Township has no fire department of its own. It buys fire protection from the neighbouring municipalities of Minden, Somerville and Laxton, Digby, Longford.

The new agreement, which takes effect in July, will have the township paying \$10,000 per year for the next two years to Minden in order for the fire department to be on standby. This is up from the \$4,000 the township has been paying annually.

The township will also pay for fire calls at a rate of \$250 for the first hour and \$125 per hour thereafter. This fee is unchanged from the previous agreement.

Last April, Lutterworth Council balked at a request from Minden to double the

(more on page 3)

The new roof trusses for the new Home Hardware store in Minden were set in place again last week. Construction is getting back on track after high winds caused the trusses to topple over during a storm in late December. It was estimated that the damage caused in that storm amounted to about \$40,000 and, more importantly to the store owner, caused a set-back in the construction schedule.

Steel beams rusting out in new arena

Although it is only 16 years old, time is running out on the Minden arena because of premature corrosion to the base of the steel columns.

Calcium salts contained in the block walls have caused the base of the arena's main beams to begin rotting. Estimates to fix the problem range from about \$80,000 to \$250,000.

An examination of the arena's structural adequacy was carried out last Summer but the findings of that examination have been kept quiet until now. The situation was recently outlined to George Moulton, Lutterworth Township's representative on the recreation committee, who in turn relayed the findings to Lutterworth Council.

"I got an awful shock," Moulton said after attending his first committee meeting. He said the arena is in some trouble and it will take a good deal of money to correct the problems.

The Minden arena was built in the winter of 1972 and opened to the public in January of 1973. It replaced a wood-frame arena that was located where the Anson, Hindon and Minden Townships offices now stand.

Contacted on Friday, Arena Manager Brian Sisson said there is no immediate risk that the arena will be ordered closed. However, the repairs will have

to be made in the near future. He said it is possible that the work could be done during the summer, causing little or no interruption to the ongoing programs at the arena.

Sisson said the cost of correcting this problem is hard to identify without first getting proper estimates from builders. He also said there has been some discussion about the potential of adding more dressing rooms to that side of the building while this work is underway.

The possibility of trying to make the contractor pay for the damages to the beams is also being investigated.

In addition to the problems with the arena itself, the roof at the Community Centre is showing signs of wear. The flat roof has a bad sag in it, Moulton said, and is beginning to leak. Funding to correct that problem is already in place but the work can not start until the engineers are finished with their plans.

The energy conservation program at the arena was recently completed. New low-intensity lighting has been installed along with a special reflective ceiling designed to save on operational costs of the arena. The lighting has a bit of a yellow tone to it but is supposed to throw out as much illumination as the old lighting.

Winter Carnival set to go for three days this weekend

It is time once again to laugh in the face of old man winter as the Kinmen Club of Minden presents their annual Winter Carnival. The thirty-third

appear on this year's schedule, the Kinsmen have lined up an enjoyable weekend of fun and activities, both inside and out.

This week's edition of The Times includes a second section outlining the Winter Carnival program for this year. So, don your parka, winter boots and leave your blues behind, it's Winter Carnival Time!

While a number of familiar events will not

Police call an end to the search for snowmobiler missing since last Saturday

After more than four days of unsuccessfully searching for a missing snowmobiler, police had to abandon their efforts last Wednesday.

John Tait, 23, a resident of the Eagle Lake area, went missing on January 14. He was last seen leaving his parents home by snowmobile at about 10 p.m. that night.

Police conducted an extensive search for the man, but with snow covering up whatever clues may have been left behind, the efforts were fruitless. Police snowmobile patrols, aided by many civilian snowmobilers, searched the area by land while an

OPP helicopter looked for clues from above. Areas of open water have been searched by OPP divers with nothing being found.

The OPP is expressing appreciation to the people who helped out and is asking anyone travelling in the Eagle Lake area to keep an eye out for any signs that may help in the search. Police plan to resume the search in the spring.

Tait was last seen wearing a red full-face helmet, a grey jacket and blue jeans. He was driving an orange and blue Moto-ski with the registration number 452788.

around the county town

by Jeanne Sears. Call 286-1538.

I remember the first Winter Carnival in February. Some of the committee from the Centennial weekend the previous summer gathered once again with Chairman Charles (Slim) Brandon. We had the arena downtown but besides hockey and figure skating there was a variety of contests, Carnival Queen, beaver skinning, tea making, snowshoe races, log sawing, fishing and meals at various times. Yarn was given to our knitters and toques were sold as well as crests and programmes. Merchants provided the prizes. It was a great deal of work for that committee as we only started planning in January. We understand it was a successful venture and money enough came in for all the expenses. I don't

think we had a beer garden. Now we have the Annual Winter Carnival this weekend on the 28th and I hope everyone has a great time. Fortunately we have lots of snow.

Jean Lacey (my pal) is home again after several weeks visiting with Jim and Jo Oatman and family in Port Coquitlam B.C. She said they had our snowstorm!

Just received the new birthday list from Hyland Crest. Many thanks and good wishes go to May Horsley whose name is on my new list and her date was January 17. Sorry to miss that.

Helen Burk and Jane

Symons went with some figure skaters and stayed with the Gerald Hicks family in Oshawa.

Bradley Robinson from Toronto enjoyed a weekend with his mother Florence Robinson.

Visitors in the area recently were Evelyn and Kathy McGregor of Petrolia formerly of Camp Kandalore.

We are advised that a trust fund has been set up for the Rowden Family and donations may be made to the Rowden Family Trust Fund at the Toronto-Dominion Bank or the Canadian Imperial Bank of Commerce in Minden or by contacting M. Maher at 286-2084.

Winners at Club 35 card party on Monday night included George Alsop with most lone hands, Rhoda Woolner as high lady and Ivan Kernohan as high man. The door prize went to Rhoda Woolner and other winners were Fran Clark, Jim Irwin and Olive Daniels. There was a very good turnout and everyone had a good time.

The library committee will meet at the Minden Library on Tuesday, January 24 at 7:30 p.m.

Some people who are not so well at present are Olive Ward, Mrs. Ken Home, Reg Welch, George Davidson and Lilian Davidson. Get well soon, all of you.

Linda and Paul Schrader and Marita visited over the weekend with Jack and Jean Dart in Oshawa.

Sincere sympathy goes to the families and friends of the late Florence Dollo, Mrs. Robert Fotheringham, Chris Pritchard and Daisy Sutherland whose funerals were since last week.

We're happy to report that Gladys Dugan was well enough to return home and hope she will make a full recovery soon.

I finally found a use for greeting cards too pretty to throw out. I copy or paste recipes on the back of these and with a bit of mac-tac covering them, you can wipe them clean.

Coming events are Lochlin Centre euchres January

24, Minden Winter Carnival - call 286-1428. January 25 Minden Museum Committee meeting at 10 a.m. in the Common Room. Video presentation of Water Colourist Zoltan Szabo at Sir Sandford Fleming College Haliburton on January 26. For reservations to the National Ballet's 'The Merry Widow' at the O'Keefe Centre via Home Support Charter Bus for Tuesday, May 9, call 457-2937. We hear these bus trips fill up early.

Don't miss the Burns' Night Ceilidh at the Haliburton Legion on January 28 at 8 o'clock. The cost is \$5 per person and it sounds like there is going to be lots of fun. You might even get the answer to the old question about the kilt!

Just Remember Others Care

When troubles come, the best of us
So very often find it's hard to fight
The loneliness and keeps our peace of mind
The skies that once looked bright and blue
All seem a cloudy grey
That wondrous thing called happiness
Sprouts wings and flies away.
The little joys that please us so
Are pleasing us no more,
We feel that nothing especially nice
Could knock at our front door.
If only we would look around,
For then we'd surely see
That others wish to understand and offer sympathy.
Why every suffering we endure has many counterparts
For sadness plays no favourites,
It troubles many hearts
And only through our deep resolve
To comfort one another
Will we be given strength and hope
From one day to the other.
So when it seems some special trial
Is very hard to bear.
Let's find a ray of sunshine
By remembering others care.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down forward, backward and diagonally.

They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

There was a strong wind and blowing snow last Wednesday, but that did not bother the dozens of people who turned out at the Haliburton landfill site to dump their recyclable waste. A huge bin, donated by Muskoka Containerized Services, arrived at the site that afternoon, enabling Haliburton County residents a convenient way of recycling. When the bin is filled with glass, newspaper, tin cans and plastic bottles it will be taken to Bracebridge, where MCS runs the recycling program for Muskoka. Don Coates, MCS owner said he has been in contact with representatives from Minden and Stanhope Councils about setting up similar recycling systems at their landfill sites.

Township to pay the price to renew fire agreement

(from page 1)

standby fee. Instead council found a clause in the contract that allowed them to forego the increase. Snowdon Township, which was in exactly the same boat as Lutterworth, followed that lead. This created hard feelings between the three neighbouring municipalities that are still being mended.

The introduction of the bylaw at last Thursday's meeting came with no discussion. However, it is no secret that Minden's Deputy Reeve Bern Berry has been trying to negotiate an agreement with both Lutterworth and Snowdon Townships for some time now.

After the meeting, Reeve

Carol Puffer said the new fee of \$10,000 meets the initial increase that Minden had requested and allows for some extra to make up for the absence of an increase last year. She also notes that by signing a two-year agreement, the rate is locked in for that period.

Council's plans for long-term fire protection in the township are still open for consideration. After last April's episode with Minden, council decided to start up a reserve fund for the creation of a fire department. Council even went so far as to advertise for volunteers to determine if the manpower would be available if the financing was secured.

Renewing the agreement with Minden does not nec-

essarily rule out that possibility.

Puffer said that option is still be considered. The only difference is that the urgency has now been lessened considerably.

Some of the other provisions specified in the new agreement state: motor vehicle fires will only be responded to at the request of police; fires at the landfill sites will only be responded to at the request of a council member, the road superintendent the Chief Fire Warden or the landfill site supervisor.

The final provision in the agreement clarifies that priority will be given to fire calls within the boundaries of Anson, Hindon and Minden Townships.

Rings donation is nixed

Lutterworth Township will not be making a donation to the fund to buy school rings for the Haliburton Highlands Secondary School junior football team.

"It's not proper for the township to be putting money into this," Councillor Lisa Mercer commented at last Thursday's council meeting. The school board

already receives funding from local taxation and she feels that should be where the township's commitment ends.

Coach Garry Brohman wrote to council asking for a donation towards a fund that is being set up. The goal is to raise \$8,000 to give a special ring to each player on this year's junior football team.

The team made history for the high school, being the first ever to win the COSSA championship. The rings are to commemorate that event.

Councillor Maurice Boyd agreed with Mercer. He also noted that the goal would work out to about \$200 per player. Councillor Bill Valentine declared a conflict on this matter.

Donations

The time has come for area municipal councils and County Council to take a hard look at their policies—or lack of policies—regarding donations or grants to organizations. At almost every meeting, the various councils are faced with requests from one organization or another for financial support. Some requests are granted while others are refused, but there does not seem to be any hard and fast rules to indicate when donations are justified.

In most cases, the councils can justify granting the request because the benefits of that donation will be felt by most of the residents of the township. In other cases the councils feel compelled to grant a request for fear of creating hurt feelings with the people involved in the organization. Only occasionally will councils find reason to refuse a request.

In recent weeks some local councils have been faced with two interesting requests. One comes from the committee set up to raise funds for a clock for the clock tower in the new Staunworth Terrace seniors complex and the other comes from the high school junior football team. Both requests have strong merits. They also have some pitfalls.

This year's junior football team was the most successful in the history of the school. The team beat all challengers en route to a COSSA championship—the first ever for HHSS. To commemorate that season, a fundraising drive has been started to buy special school rings for each team member.

The idea of buying these rings is a good one. We hope the fundraising goal will be met because it will give the players something to help remember this successful season. However, when this funding request comes to the council tables, council members have to ask themselves what benefits does this have for the people who pay the taxes.

After all, it is not council's personal money that is being given away. It belongs to everyone who pays taxes in the municipality. It is also possible that many residents will make personal contributions and may object to having council contribute on their behalf.

The same considerations hold true for the clock tower fund. It will make a fine memorial and may be worthy of our individual support. However, the councils have to ask whether or not the majority of their ratepayers would benefit from this.

We mention these two fundraising efforts only because they are in the forefront right now. There are many others that fall into the grey area where it is unclear whether or not councils are acting in our best interests by making a donation.

Municipal councils are at the start of a new three-year term. This is the ideal time to examine their practices and establish clear policies.

NOW LISSEN - YOU WOULDN'T WANT ME TO BE LATE FOR MY ANNUAL DRIVER'S TEST, WOULD YOU?"

Speeding along in super-powered buggies

"Cars are built for speed, and highways are built for speed. What is not built for speed is the human body."

U.S. Transportation Official

"I told my people that when I stepped down on the throttle, I want to be scared."

Fred Schaafsma, engineer

As chief engineer of the Corvette division of General Motors, Fred Schaafsma is in a position to get pretty much what he wants, automobile-wise. This spring you'll be able to get it too — the Corvette ZR-1. Three hundred and seventy-five horsepower under the hood. Capable of going from zero to sixty miles an hour in four seconds.

To be fair to the folks at Chevrolet, the new Corvette isn't the only absurdly over-powered buggy

black 'n white

by Arthur Black

you'll be dodging when the snow melts. A magazine ad for Honda's Acura Legend Coupe boasts "Even the interior was designed at 125 miles per hour." A television commercial for BMW's M6 sedan calls it "a most elegant argument for tripling the national speed limit."

And you've probably seen the TV promo for Porsche that purrs "For lunch it prefers Ferraris, although it has been known to snack on Corvettes."

There's just one small problem with all these

wheeled rockets the car makers are pumping out — nobody this side of the Mosport race track needs them. There is not a public road on this continent on which you can legally drive at 125 miles an hour — and how often do you need to get from a dead stop to a mile a minute in four seconds? I don't know about you, but I'm just three points away from a police *tete a tete* with the local gendarmerie regarding my propensity for showing up on their radar guns — and my car couldn't get from zero to sixty over a long weekend.

But whether we need 'em or not, the new super-charged cars are here. Our highways can't handle them, and neither, five'll get you ten, can the amateurs

Hospital is the heart of the community

Editor,

This is a note of appreciation to the backbone of our Minden 'General' hospital. I refer to it as 'General' because it is **NOT** a specialized institution and it **refuses no-one**. I wish the people in command of trying to eliminate our hospital could be examined for brain damage or, better still, have an opportunity to spend a few weeks in hospital such as I have as both an in-patient and an out-patient.

Our hospital is almost comparable to a human being. If you remove our hospital, you tear out the heart of the area as well as the community. It can relate to our (overworked) doctors, ambulance people, technicians, administrators, etc., as the head, arms, legs of our institution. There is one sometimes forgotten area which is almost taken for granted, and without it, our facility could not function. We will refer to it as the 'Backbone' of the Minden 'General'. The backbone is a bunch of dedicated professionals, who, in their daily chores, have to become anything

from a psychiatrist or comedienne to a mother for a lot of people.

Here's a list of wonderful people who make up the backbone of

the Minden 'General':

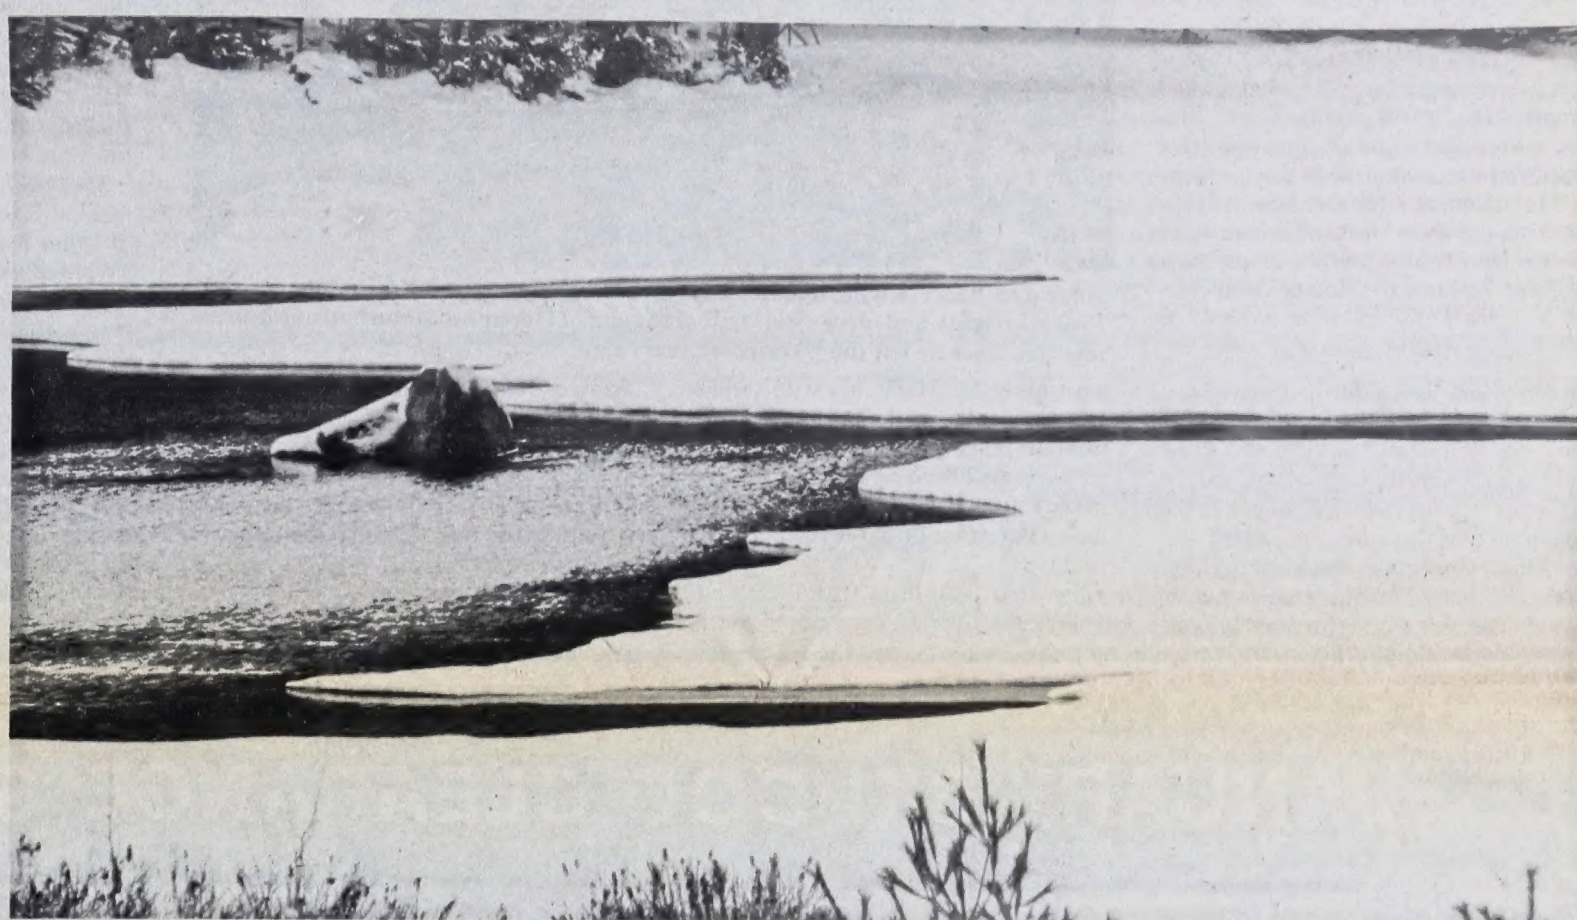

Judy Phillips, Gladys Walker, Judy Toye, Chris Reid, Betty Harrison, Sheila Mitchell, "Scotty", Janice Doyle, Sarla

Knowles, Cynthia Davey, Bill Heaton, Cathy Short, Sara Anderson, Irene Johnson, Pat Lichty, Rosemary Shingu, Diane Switalski, Irene Moxam,

Cathy Gartshore, Gwen Hewitt, Laurel Yateman, Denise Northey, John (Jack Daniels) Curran and Jean Anderson (Nursing Administrator).

Without the backbone the 'General' could not stand. Special thanks to our nurses.

Cub Coneybeare, Minden

The water's edge

Russ Duhaime photo

Who will be buying these big shiny speedsters? Maybe you, maybe me

(from page 4)

who'll be buying them. But they're here: big shiny toys for man-children who believe a certain combination of chrome, rubber, steel, fibreglass and an internal combustion engine will transform them into Lawrences of Arabia.

We've been down this highway before. Back in the 60's when much of the citizenry was into headbands and flower power, the knuckle-dragging segment was buying GTOs and Shelby Mustangs. Muscle cars. Bulging behemoths that looked like ordinary cars pumped up on steroids. They guzzled gas like 747's, but they were undeniably powerful.

And popular -- at least among those members of the populace who breathe through their mouths, lean to a diet of beer and pizza and have LOVE and HATE tattooed on their knuckles.

Those muscle cars went fast alright -- fast enough to send their occupants through the windshield and the insurance rates for muscle cars right through the roof.

That, plus the Great Gas Scare drove the muscle cars to the brink of extinction.

But not over, alas. They're back. Oh, they're not calling them muscle cars this time around. The image makers are going for sleek and elegant instead of bulgy and menacing -- Wayne Gretzky over Mike Tyson, if you will. But they are muscle cars by any other name. Cars which, as my old sea captain would put it, carry 'way too much sail for the size of the craft.

As muscle cars they will inevitably do what they were designed to do. They will go too fast and some of them will go out of control and crash, killing and maiming a whole lot of people who perhaps right this moment are falling under the spell of those slick, beguiling television commercials.

But if you don't have to own a muscle car to get hit by one. A lot of us have a rendezvous with those cars that we wouldn't wish on our worst enemy.

Maybe you, maybe me.

Maybe Fred Schaafsma.

I don't know if Fred's scared, but I am.

Input is needed for railway purchase

Last November in one of my Queen's Park reports, I had discussed the future of the abandoned railway line from Lindsay to Haliburton. I have stressed the need for ample public input and the question of who will accept responsibility for the abandoned rail line as criteria that should be met before any decisions are made.

Very recently, my colleague, the Honourable Ed Fulton, Minister of Transportation announced that an inter-ministerial committee will be formed to consider provincial acquisition of abandoned railway right of way for transportation, recreation and other public uses.

In recent years, railway rationalization programs have resulted in the abandonment of some

1,500 km of branch lines in Ontario. If present trends continue, even more lines will be out of service. The vacant rights-of-way have the potential to be developed by the province for a variety of uses. However, I feel that if we do not utilize input and act carefully, we may be faced with the permanent loss of these valuable tracts of land.

The new investigative committee is comprised of representatives from my ministry, the Ministry of Municipal Affairs as well as several other participating ministries including: Tourism and Recreation, Treasury and Economics, Natural Resources, Culture and Communications, Environment, Housing, Agri-

(more on page 17)

Re-united after half a century

The easing of restrictions in the Soviet Union has made it possible for a Minden man to be re-united with his sister after a separation of almost half a century.

Just two days after Christmas John and Mary Klym received a special present all the way from the Ukraine. John's sister and niece arrived for a one-month visit at his home on Lutterworth Boundary Road.

John, who will soon be 70 years old, had not seen his sister, Frozina, since he left the Soviet republic 47 years ago. His niece Maria, now 52, was just a child the last time they were together.

It was 1941 when John was taken from his home by the Nazis to work in Germany. They took many young men from occupied countries to work in factories while German men were at war.

He remembers the day he was taken, for that was to be the last time he would ever see most of his family again. After the war, he came to Canada and worked in Niagara Falls before moving to the Highlands several years ago.

John said he has always kept in contact with his family in the Ukraine through letters and post cards. However, until recently, it was almost impossible for anyone from his family to pay him a visit in Canada.

"Since Gorbachev took over things are a lot better," John said last week while enjoying a relaxing day at home

John and Mary Klym, middle, have been enjoying a visit from John's sister, Frozina (right), and niece, Maria, since the end of December. John had not seen his relatives since he left the Ukraine 47 years ago.

with his wife, Mary, his sister and his niece. People are being granted more human rights and there is hope that restrictions will become even more lenient in the future. "We're very pleased things have changed a little for the better," he said.

Frozina and Maria are not the first of John's relatives to be granted permis-

sion to visit, though. About eight years ago, his youngest sister came to Canada for a visit. However, it was a lengthy process for her to obtain permission from the government and she had to apply three times before the approval was finally granted.

Now the restrictions are much looser, John explained. It is even possible for a

person other than a relative to receive permission to make a visit like this.

Like John, Frozina and Maria are pleased about the improved human rights for Soviet people under Mikhail Gorbachev's leadership. "They are very pleased to be here and are happy to see us," John said, translating for his sister and niece. They are also surprised to see how we live . . . how good things are."

For the most part, the Klyms are just enjoying this visit at their home. They have done a bit of travelling, though, including a stop in Niagara Falls. There, they were delighted by the tremendous light show created through the Festival of the Lights. They visited the Victoria Park flower gardens and, of course, they saw the falls which are a tremendous natural spectacle themselves.

One of the things John's visitors find most amazing is the amount and variety of goods that are available for purchase. Together, they have visited shopping malls in Toronto, Oshawa and Lindsay, where the variety of goods is almost mind boggling to Frozina and Maria.

After a separation of 47 years, a visit of just one month is hardly enough time to become re-acquainted. On January 27—all too soon for John—Frozina and Maria will be leaving again to return home. But there is always hope for another visit in the years ahead, especially now that visitation outside the country has been made easier.

Times crush Halls; Rockcliffe in lead

The Halls Insurance hockey team's race for first place in the Minden Men's Recreational Hockey league fell flat last Monday when they were trounced 15-7 by The Times.

The Rockcliffe Tavern team's control of the league seemed to be wavering until a week ago when they finally broke their own losing spell. Now they are back on track with an expectedly easy win over Vasey Real Estate, which puts them alone at the top of the standings again.

With only two more weeks of play in the schedule, the Rockcliffe should be able to hold onto its position. There is a challenge building, though, for the third-and fourth-place positions in the standings. After last week's games, Home Hardware and The Times were tied in third place, with Hartwick Construction still yapping at their heels.

ROCKCLIFFE 15, VASEY 8

The first game of the night last Monday at the Minden arena saw the Rockcliffe outclass Vasey from the first drop of the puck until the final siren.

It was actually Vasey that scored the first goal, but with Scott Hamilton leading the way for the Rockcliffe,

The Standings

	W	L	GF	GA	P
Rockcliffe	9	3	122	87	18
Halls	8	4	109	90	16
Home	6	6	73	84	12
Times	6	6	91	110	12
Hartwick	5	7	72	65	10
Vasey	2	10	66	98	4

there was really no hope of a win for Vasey.

Hamilton, who has been unstoppable all season, scored another eight goals in this game. Barry Boice added another hat-trick to his own record, while single goals were marked by Dean Hewitt, Tom Haley, Jim Crawford and Daryl Ward.

Ivan Ingram and Dennis McKee marked two goals each for Vasey. Harold Cowen, Dave Bezner Ken Barry and John Frappambino scored one each.

HARTWICK 9, HOME 3

The second game of the night saw Hartwick edge closer to the leaders with an upset win over Vasey.

After a slow start to the season, Hartwick has been gradually climbing, and last Monday's 9-3 win over Home brings them to within one game of third place.

Jim Keetch, Sid Mackieff and Carl Northey each scored two goals for the winners, while Bern Berry and Ted Vasey added one each.

Lawrence Loughheed, Dave Rogers and Gary Nelson are the three Home marksmen to score against the strongest defence in the league.

TIMES 15, HALLS 7

The Times seemed eager improve their playoff prospects when they took on a strong Home Hardware team in the final game of the night. And they did it in fine fashion, more than doubling their opponents' goals.

Dave Pettes was the top gun for The Times, scoring four goals. Craig Crowe and John Ballantyne were not far behind with three each. Greg Newell and Irwin Asbel each notched two goals while Paul Walker scored once.

Larry Sawyer did the bulk of the damage for Halls, scoring five of the seven goals. Ed Gibbons scored once, as did Brian Shaw.

Novices edge OPs, Walker earns shut-out

by Lisa Kerr

Back on January 7, the Ops Novice team arrived in Minden determined to put our team on the losing side of the scoreboard. They were a determined lot.

However, the only goal of the game was scored by Minden player Todd, on an unassisted effort.

It was a tight game for the goalie, Walker, as he

faced numerous challenges by the Ops team. One play in particular demonstrated his abilities between the pipes. The puck was slipping under each player's skates in front of the Minden net, when it squirted loose and was headed for the open net. Walker managed to deflect the puck and maintain his shut-out.

As the last minute of play approached, Ops

opted to pull their goalie and go with an extra attacker. Over a year ago, the Minden players learned the cost of looking back at the time clock. This time, with the extra players bearing down on them, they kept their minds and eyes on the action and were able to hold off the Ops assault.

Return match

The following Saturday

(January 14) the team travelled to Ops knowing that this game would likely be a replay of the previous game. And that was to be the case.

Within the first seven minutes, Ops was leading 2-1. Anderson scored the first goal for Minden by flicking the puck up over the Ops goalie's shoulders.

In the second period, Todd scored the second goal for Minden. This was

a hard-earned goal, as Todd's feet were taken out from under him at the Ops blue line, leaving the player to slide toward the net on his stomach and sweep the puck past the goal with his outstretched stick.

During the third period, both teams played extremely hard, with numerous shots being fired at each net. Goalie Ken had two grand saves during this period. Then,

with two and a half minutes to play, Carpenter passed directly to Donnelly who cracked in the goal.

Ops once again pulled their goalie during the last minute of play, but our boys didn't fluster and so added another win to their record.

The Minden Novice Hockey team has been showing fine form in recent play, both at home and on the road. Recently they defeated Ops in two straight games and last week they fought to a 2-2 tie with Haliburton. Minden's team is strong on defence and is also very capable of putting the puck in the net. This weekend the novices will have a chance to show their talent once again when they take part in the Tyke/Novice hockey tournament that will be going on at the arena in conjunction with the Winter Carnival.

Goalies carry heavy load for team

(from page 9)

the week goes to our goalies Ken and Walker. Each boy takes his turn every other game and practise in net. This gives both players a chance to develop their skills as goalies and linemen as well.

Both boys demonstrated

their quick reflexes and sharp eyes. It is uncanny how they seem to know instinctively where the next shot is coming from. And they aren't shy about clearing some of the excess bodies which always accumulate in front of the net. And neither is shy about making sure players do not block their vision in front

of the net.

The goalies carry a heavy load for the team. Yet their personalities seem matched to the position they play. Both are calm and they don't allow a bad game to get them down.

After each game it is great to hear the praise the two goalies receive from

their team-mates, and coaches, as well as parents. Without Ken and Walker, the key stone truly would be missing from the arch.

Both goalies have had many shut-outs within the past two years and are credited with goals and assists when they play out. The two are very supportive of each other.

Atoms win three straight

by Corinne Howell

The Tri-County Atoms have had a busy week, starting on Friday (January 13), when they travelled to Bobcaygeon for a league game.

Minden worked hard in the first period but were unable to break through Bobcaygeon's defense.

Minden's Scott Baily, although being a new member to the team and to hockey, really played an excellent game on defense, stopping every puck that came his way.

With only 45 seconds

left in the first period, Bobcaygeon scored to take the lead.

The second period was just as exciting, but this time it was Minden's turn to score. David Raback notched the first goal on an excellent pass from Marty Dettman.

Now, both teams were on the attack, but it was not until the last 43 seconds of the third period that Minden managed another marker. This time, Todd Redgrave scored for Minden, from a great pass by Tommy Neville. The final score, Minden 2--

Bobcaygeon 1.

Exhibition

Saturday afternoon, Minden met with Wilberforce for an exhibition game. Minden came out on top of a 3-0 score. The goals were scored by Marty Dettman, unassisted in the second period. Also in the second period, Andrew Crego scored, assisted by Todd Redgrave.

In the third period, once again Marty Dettman scored unassisted, giving goalie Terry King a well-earned shut-out.

Fast action

Wilberforce was not to be put off, as they invited Minden to a return game Monday night.

This game proved to be one of the best games of the season. Wilberforce came out on the attack, which led to a goal in the first two minutes.

The Wilberforce players seemed to come from everywhere, and scored a second goal in the opening frame. The Minden fans were on the edge of their seats as they watched the action and were rewarded for their vigilance when Benji Crego scored with the assist going to Todd Redgrave.

Minden tied the score, with a goal from David Raback, assisted by

Marty Dettman. Both teams refused to give an inch and the game could have gone either way, but Minden gained the upper hand. Marty Dettman scored a third goal to clinch the win. The final score was Minden 3--Wilberforce 2.

Tense win

Wednesday night, Minden travelled to Haliburton for another league game. It was hoped the players were not too tired, as a result of the busy schedule.

Haliburton scored in the opening minute of the game, but it was the only marker Minden allowed until the second period. Part way through the second frame, Todd Redgrave notched a goal for Minden on an unassisted effort.

Haliburton responded with its second goal of the game, but again Minden evened the score, with Todd Redgrave again taking the credit.

Then, Minden opened up with a three goal volley that put the game on ice for the Monarchs. Scoring for Minden were Marty Dettman unassisted, Tommy Neville unassisted and David Raback, unassisted. The final score, Minden 5--Haliburton 2.

The Atoms travel to Woodville for a game this Saturday. Good luck guys!

Residents seek township sand

Icy roads and walkways throughout Haliburton County have resulted in a high demand for sand and salt.

This was in evidence last Thursday as two Lutterworth Township residents sought, and were granted, permission to take small loads of sand from the municipal sand pile.

James Johnston, who lives on Country Lane Estates Road, approached Lutterworth Township Council asking for permission to take a pick-up truck load of sand to be used on that road. In the past, the people who live on that road

have used whatever sand they could "scrounge up", said Johnston. However, with road conditions being so bad this winter he decided to ask the township for some sand. "Since we pay taxes, I thought I would come to council... especially with the ice lately."

Council later agreed to allow a resident of Rackety Trail to also remove up to two yards of sand for use on that road. Reeve Carol Puffer justified this request by noting that Mr. Stribling has allowed the township to store equipment on his property on occasion.

Tykes win in tournament

by Lisa Kerr

The youngest group in this year's hockey league, are the five and six year old Tykes. These young boys are coached by two dedicated men, Byron Recoskie and Grant Shaw.

When watching these youngsters on the ice, it is best to remember there are a few rules which are different. First of all, the coaches are allowed on the ice during the game, which helps the players in learning to play their positions. The coach can also remind the players of strategies discussed prior to the game. The goalies don't change ends with each period as they have enough to contend with, without confusing them as to which way they are supposed to be travelling with the puck. The various lines each play for three minutes, then retire to the bench.

The two coaches have each gained a strong back bending down to help the boys. I must stress, this is

Two high-scoring wins

the age to encourage good habits and to give the first year players a real desire to enjoy the sport of hockey. Believe it or not, there are a few veterans on this team who have been playing hockey since they were three years of age.

Champion Tykes

A tournament in Bobcaygeon, on January 14, consisting of four teams in the Tyke division, gave many a family member a laugh, but all with a proud heart.

Minden played Little Britain in their first game and won 10-0. Gary Kernohan scored three goals for Minden in the first two minutes of play. The goalie was then loaned a proper goalie stick in hopes that his chances might be improved. However, it was obvious that our boys' skills were stronger than that of Little

Britain. Most of the time, the Minden boys could get themselves set up for the face-offs.

The goals and scoring were as follows: Gaten Davis, one goal, two assists; Paul Daniels, one goal; Gary Kernohan, four goals; Danny Neilson, one goal; Blane Saunders, four goals; Trevor Cole one assist; Ryan Wyte, one assist; Philip Neville one assist; goalie Shane Walker earned his first shut-out.

The second game was against our host team, Bobcaygeon. This proved to be another repeat of their first game. Even though Bobcaygeon appeared to have fairly good skaters, Minden managed to outplay the, 14-1. Goalie Shane Walker played a great game and displayed great caution in pouncing on the puck if it ventured near his territory.

Defense players Josh Shaw and Greg Kerr, held tough, hitting the puck toward the Bobcaygeon end and showing they knew how important it was to stay back in case of a stray puck.

Rick Kinsman and his brother Andy both played long hard games, with Rick getting a small break-away. Bryan Recoskie and Gavin Simms skated hard as well.

The team received individual trophies and posters of Mario Lemieux. For all the time, money and effort spent on that day, it all paid off when those boys can off the ice with such big happy smiles.

The goals and assists for this game are as follows: Ashley Pettes, one goal and one assist; Gaten Davis, four goals and one assist; Gary Kernohan, one goal; Blane Saunders, three goals; Paul Daniels, one goal and three assists; Philip Neville, one assist; and Ryan Wyte, one assist.

Dorset Acid Rain Report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada.

The following report covers the period of January 8 to 14.

January 8 - 7 cm snow

with 5.1 pH level from Wisconsin, Michigan and southern Ontario.

January 10 - 4 cm snow with 6.3 pH from Ohio, southern Ontario and central Ontario.

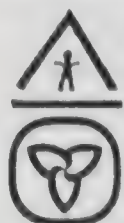

January 11 - 6 mm rain with 4.3 pH from Kentucky, Ohio and southern Ontario.

January 12 - 2 mm mixed rain and snow, 4.3 pH from Ohio, Pennsylvania and New York.

January 14 - 7 cm snow, 4.3 pH, from West Virginia, Ohio, Pennsylvania and southern Ontario.

Environmental damage is usually observed in

sensitive areas regularly receiving precipitation with pH less than 4.7. Reading of 4.0 pH or less is considered dangerous. The lower the reading, the more acidic the precipitation.

Two local skaters earn great placings at Oshawa rink

Two of Minden's figure skaters travelled to Oshawa last weekend where they earned excellent placings in their flights during the skating competition.

Tammy Pritchard was fifth overall in the Juvenile Ladies' category, while Marita Schrader took second place in her flight in the Preliminary Girls' category and was seventh overall.

Tammy was third in her figures and sixth in her

free skate to take fifth overall.

Marita put down a very strong figure and was just a decimal point from taking first in that event. She came in sixth in her free skate, which was enough to win her second overall in her flight.

The top two skaters in each category advanced to the final, which meant that Marita was required to skate again late Saturday afternoon. She skated a strong program and placed seventh overall.

This is a real accom-

plishment for both of these girls, especially with the added difficulty of going into a larger arena to compete at that level.

On Sunday January 15, Cori Barkwell and Janene Garbutt were in Lindsay for Test Day. Janene passed her European and Fox Trot. Cori passed her Fox Trot.

These ladies should be proud of the accomplishments made in both Oshawa and Lindsay. All four skaters are coached by Jane Symons, one of the club's pro's.

Tammy Pritchard and Marita Schrader had excellent results when they skated in the Oshawa competition on January 14 and 15. Tammy was fifth overall in the Juvenile Ladies' category while Marita was seventh overall in the Preliminary Girls' category.

Draw goes on although derby cancelled

The Minden District Lions Club wish to thank all the advertisers who took part in the 1989 Sled Dog Derby program. A special thanks to the ones who donated prizes for the program draw.

On Sunday January 15 at 2 p.m. outside of Leon's Video the draw took place with several residents in attendance. The following is a list of the thirteen prize winners.

Lions Club \$100 - Shirley Darling, North York; Noble Motel - Two nights

for your service

by Alan Thompson

accommodation for two - Keith Hughes of Minden; Pine Ridge Resort - One night accommodation for two - Sam McElwain, Haliburton; Minden House - Wooden Welcome Sign - Reg Argyle, Minden; Schnitzel House - Dinner for two - Kathy Moore, Minden; Lorelea Country Inn - Din-

ner for Two - Anne Guest, Kinmount; Red Umbrella Inn - Dinner for Two - Sue Ewing, Aurora; Austrian Village - Dinner for two - Joyce Wiltshire, Minden; Kitchen & Bath Shoppe - a bath sheet - Dean Elliott, Minden; Silver Birches Resort - 8x10 framed paper tole picture - Lyn Sharp-

less, Minden; N.J.'s Roadhouse Restaurant - Dinner for two - Olga Rome, Minden; Phil's Roadhouse - Dinner for two - Andrew Graham, Minden; Sandy Lane Resort - Three night stay for two - Willie and Bill Miller, Minden.

Again, many thanks to the merchants and residents of the Minden area for your support of the Martin Minden Sled Dog Derby.

We are looking forward to January 13 and 14, 1990 when the dogs will come to town again.

OPP Christmas RIDE program successful in reducing the number of drinking drivers

The six-week RIDE program carried out over the holidays by the Peterborough District OPP is being termed a success in its goal of getting drunk drivers off the roads.

A total of 59,967 drivers were checked during the

Christmas and New Year's blitz, resulting in 68 drivers being charged with alcohol-related driving offences.

In addition police handed out 13312-hour licence suspensions and 76 Liquor Licence Act charges were laid.

Staff Sergeant Garry Holmes expresses appreciation to the motoring public. "Without their support and co-operation, initiatives such as the RIDE Program would not be as successful in removing the drinking drivers from the

road."

The festive season RIDE program has come to a close, but regular RIDE checks will continue throughout the district as part of the year-round initiative to eliminate drunk driving.

Heart of Gold

Helen Burk's contributions to the community were recognized recently when she was presented with a Heart of Gold certificate by Wendy Gough, who nominated Helen for the award. The certificate is in appreciation of Helen's work with the Lochlin Sunday School, the Minden Skating Club and numerous organization in the Lochlin area. Heart of Gold Awards are sponsored jointly by Air Canada and the Ontario Community Newspapers Association.

Lutterworth limits landfill access

Included with their tax bills this year, Lutterworth Township residents will be receiving a notice that there will soon be controlled access to the landfill sites.

Councillor Maurice Boyd asked that this notification be included with the bills when they are mailed out "as a forewarning that it will take place."

Controlled access to landfill sites is prescribed by the Ministry of Environment. However, many municipalities have not made this a practice.

A series of fires at the sites last summer, combined with evidence that residents from outside the township were dumping their garbage there, caused council to give this more consideration. Roads Superintendent Murray King highly recommended the installation of gates and controlling access to specified hours.

Although council has not yet determined what the dump hours will be, they

want people to be aware there will be limited hours in the future.

In addition to this, there will be a second notification that the township has secured fire protection from Somerville Township, Laxton, Digby and Longford Townships and Anson, Hindon and Minden Townships.

Assault charges are laid

James Earl Prout of the Donald area has been charged with assault after police were called to a domestic complaint on January 15.

Prout was held in custody for a bail hearing on January 16, when he was released on conditions. He is to appear in Provincial Court in Minden on March 1 to answer to these and other criminal charges.

ASSAULT

Wayne David Brownlee, 26, of Scarborough pleaded guilty to the sexual assault of a boy last June at Kushog Lake. Brownlee pleaded guilty in Provincial Court in Lindsay and was remanded to March 16 for sentencing.

Minden is tops in novice tournament

Well, I hope by now that all parent caffeine levels have dropped, blood pressures have regulated and the kids' sugar levels are somewhat back to normal after we travelled to Fencelon Falls for the first Novice C tournament on Saturday, January 14.

The first draw gave Minden 10 a.m. ice time against Manvers. How ironic, we played Manvers last Saturday and Sunday and are slated to play them again tomorrow. More on that game later.

With all the team present, the boys proceeded on to the ice and play began. At 9:35 of the first period, B.J. Redner was at his usual spot in front of the net and slapped one in off the stick of Cameron Neville. That gave the parents a good opening feeling, but still a long way to go. Chuck Hopkins placed another one between the pipes at the 8:05 mark of the first, but Manvers retaliated with only 33 seconds left in the period

and nerves began to jangle.

There was a long two periods to follow but both teams were unable to find the mark again. Final score 2-1 placed Minden back on the ice again at 3 p.m. against Keene.

At this point, after a long rest and more sugar for the boys, the caffeine levels elevated, throats became a little raspier, but Jimmy Olsen and I remained in the lobby, confident and closer to the coffee pot. What threatened to be a very defensive game turned into a shutout for Minden's Shane Flood. The boys seemed to come alive for this game and they certainly covered the ice well with many spectacular defensive moves by our never-failing defencemen Steve Ecclestone, Clay Davis, Chris Little and Wayne Kernohan. The game belonged to Minden with Chuck Hopkins taking the first hat-trick of the tournament and being presented with an Oilers attired teddy bear for the effort. Shawn Casey assisted on one of Hopkins' goals and Cameron Neville finished the game

with a goal off the stick of Clay Davis. Final score 4-0.

That put the boys in the run for the trophy and with only one hour rest, they were back on the ice at 5 p.m. against Bobcaygeon. At the 8:21 mark of the first period, Bobcaygeon slipped one past Flood and nerves became another turn tighter. Jimmy and I fell silent. Not to be outdone, Redner in front again, took a pass from Chris Little and drive it home to tie the first period at one. From here, it was anybody's game, and a hard-played game by both teams. Minden's second goal was at the 2:04 mark of the second period off the stick of Hopkins, but still a long wait until the end of the third period. Final score 2-1 Minden.

The boys were presented on the ice with a medal for each player to keep while Chuck Hopkins and Cameron Neville were presented with the winning trophy to be placed in the showcase at the Minden arena.

With all the time and effort put in by dedicated and interested parents, not

to mention the excellent coaching and assistance of Bill Little and Brian Neville, hopefully this will help to make them proud of all the boys as a team.

Sunday January 15 we were on the road again to Manvers after a very exhausting tournament yesterday. Play began and both teams held each other at bay until the 9:34 mark of the second period when Manvers slapped one in on Flood. Minden returned the favour when Hopkins gently put one in in their end. Cameron Neville finished off the period and the game with the winning goal assisted by Gavin Gartshore.

Tension rose at the end of the third period however, when Manvers was awarded a penalty shot. The Manvers player proceeded down the ice closing in on Flood who, once again, left the crease to meet him head on. Manvers tried to deke Flood but was in too close and Flood destroyed any chance of a tying goal. Minden sure had one happy, dancing and singing goalie also a guaran-

teed seat at the Golden Arches.

Great playing boys - a very exciting weekend for

everyone concerned and an effort to be proud of.

Lois and Jimmy 'til' next time.

Ideas are sought for future bus outings

The January 18 meeting of Minden Women's Institute was held at the Library Cultural Centre at 2 p.m. with Mrs. C. Lacey, our president, welcoming us. After the usual reports fifteen members and one guest were present. Special collection for the Card Fund was taken as well as Pennies for Friendship. Mrs. Lyman Cox, our District Director gave a report of Victoria East Executive meeting.

Mrs. Alec Taylor then brought us memories of 1988 in her Current Event reading. Following this there was a Spelling Bee with Mrs. D. Cox in charge and the winner was Annie Kernohan. A bit of fun was had as a gift was auctioned by Verla Wilson. Members were asked to bring ideas for a bus trip to the next meeting. That meeting is to be held February 15 at the Common Room at 2 p.m. and all ladies are welcome. We would like to see newcomers come along. The committee then served a delicious snack and cup of tea and this was enjoyed by all.

By John Beattie Legion Branch 636

Branch 636 of the Royal Canadian Legion now has a Ladies Auxiliary. At the recent organizational meeting, the requirement of twenty ladies was met and surpassed. The following ladies volunteered to hold office: President Shirley Kirk, First Vice Georgina Deeks, Second Vice Ethel Baker, Secretary Lisa Foster and Treasurer Muriel Harrington.

The new Auxiliary will hold their initiation and receive their Charter on Wednesday, February 15 at 7:00 p.m. by Ladies Auxiliary Provincial President Maxine Gowdey. Husbands and family are invited to attend. The president and Executive of Branch 636 would like to thank the Ladies for their support and wish them well in their new endeavours.

Anyone interested in joining may do so by contacting Sally Bonner at 286-1973 or 286-4541.

Zone F4 Cribbage was held at Beaverton Branch on Saturday, January 14. Minden Branch team consisted of Roy and Verna McDonald, Ken Wallace and Bill Kleinschmidt. Our team did well

- eighth out of 27 teams. The tournament was won by Coboconk Branch.

President Anthony Samarillo and wife Ruth are heading south for a well deserved February vacation.

Eric Lewis is feeling rough - please get well soon and be assured your comrades are all rooting for you Eric!

A home accident has Betty Maddock in an ankle cast. By spring she should be clear. Hang in there comrade!

Initial community donations for 1989 will be discussed at the upcoming executive meeting.

A beautiful hand-crocheted afghan is to be raffled March 1 - tickets \$1 about town or at the Legion.

The next general meeting is on Wednesday, February 1 at 7:30 p.m. sharp.

A sincere welcome to all recent new members, associate members and transfers. Greetings to new fraternal as well (although fraternal, as such, are ineligible for official meetings.)

Not to forget any other comrades on the sick list.

PUBLIC NOTICE OF A TIMBER MANAGEMENT PLAN FOR THE MINDEN CROWN MANAGEMENT UNIT

INVITATION TO PARTICIPATE

The Minden District of the Ministry of Natural Resources is about to commence work on a new timber management plan for the Crown lands of the district, shown white on the map below. The current management plan will expire in 1990.

Timber management plans are prepared and implemented to ensure a sustainable and continued timber supply from Crown lands in Ontario to local forest industries, in order to provide both employment and forest products. The plan for the Minden Crown unit will govern all forestry activities to be carried out on this area during the period from 1990 to 1995, including logging, reforestation, stand improvement work and the construction of any new main logging roads. The plan will also contain details on calculations of sustainable harvest levels and on modifications to protect other Crown land interests and environmental values.

You are invited to participate in the preparation of this plan by submitting your comments, either verbally or in writing, to the District Manager, Ministry of Natural Resources, Minden, Ontario K0M 2K0. In your submission please identify the area of Crown land in which you have an interest or of which you make use, and any specific issues or concerns which you feel should be addressed in this plan.

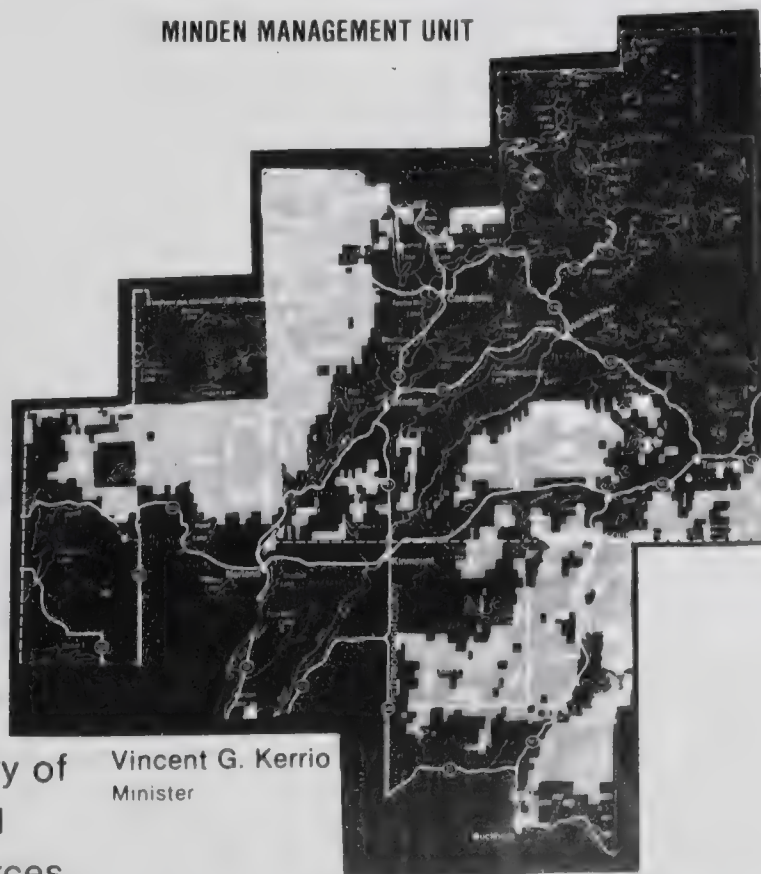

If you are a member of the logging community, please note that the plan will also contain a plan of timber disposition, designating the timber to be cut by Order-in-Council licensees and tendered timber sales. In the case of logger submissions, please state your volume requirements by species and product, and provide some information on your equipment, number of employees, and present supply sources.

All submissions at this stage must be received by Wednesday, February 22, 1989. You will have three other opportunities to comment on the plan as follows:

1. **Information Centre**, June 1, 1989. At this stage all proposed logging sites, main roads, reforestation and other silvicultural works will be presented on maps, along with proposed modifications to protect other interests and values. If operations are proposed on an area on which you have a direct interest, you should ensure that your interest and any concerns are made known at this time. The deadline for comments will be June 30, 1989.
2. **Public Review of the Draft Plan**, December 1 to December 29, 1989. At this stage you may review the completed draft plan, prior to an internal review by MNR, to note how earlier submissions and comments have been considered in the plan. The deadline for comments will be December 29, 1989.
3. **Public Inspection of the Final Plan**, March 1 to March 30, 1990. This will be your final opportunity to inspect the plan prior to its implementation. Persons who have serious objections to the final plan may seek an individual environmental assessment, under the Environmental Assessment Act.

Please Note: The dates shown are subject to change. For further information on this and the other forestry matters, contact the District Manager at Minden.

*The codfish lays ten thousand eggs,
The homely hen lays one.
The codfish never cackles
To tell you what she's done.
And so we scorn the codfish,
While the humble hen we prize,
Which only goes to show you
That it pays to advertise.*

The Times

Minden

Many good reference guides for bird lovers

For many readers an interest in natural history begins with observation of birds in their own backyard, perhaps at a bird feeder. An adult interested in finding out more about birds can turn to several good field guides. There are also books available providing more specialized and specific information about species like the *Atlas of the Breeding Birds of Ontario*.

But for younger family members with questions about birds there is limited information aimed at readers between the ages of 8 and 12. This is at the age at which an interest in nature can lead to a concern for

protecting and conserving what is left of our natural heritage.

When I was young my father, who had been raised in the country near Uxbridge, taught me what he knew about nature without my realizing I was being taught. For instance, every May we went looking for morels in my grandfather's woodlot, and, as we hiked, I learned the names of most of the spring wildflowers and began to recognize birds by sight and song. Since not every child is lucky enough to have such a resident resource, the Federation of Ontario Naturalists, in co-operation with

Kids Can Press Ltd., has produced a book about birds which recalls the pleasurable learning I experienced as a child.

The project has been a joint product of writer and artist, and is as entertaining to look at as to read. The writer is Pamela Hickman, FON education projects coordinator. She has already produced a variety of educational material including kits on endangered species and acid rain. Working with her is freelance artist, Judie Shore, whose whimsical drawings grace the FON's 1989 Conservation Calendar.

Birdwise deals with all

aspects of a bird's life. One section called Feet Are Neat points out the variety of uses different species of birds have for feet and the adaptations of a bird's feet for specific purposes. The illustrations show how an osprey grasps a slippery fish and how a woodpecker is equipped to cling to a tree.

As a writer Pamela Hickman has the knack of luring young readers into learning without pain. For instance what child could resist finishing a page on nests which begins with the fact that the largest known nest in North America belonged to a Florida Bald Eagle and "weighed the same as

two compact cars and it was bigger than a hot tub." The section on feet begins with the sentence "Imagine what it would be like if you walked around on your tip-toes all day. That's what birds do."

There are other sections on flight, feathers, how to get started bird watching, how to feed birds and how to plant to attract birds to your garden. Interspersed throughout the book are suggestions for complementary activities, like how to fix gourmet bird food, or instructions for constructing a birdfeeder out of material likely to be around the

house.

But the written word by itself would hardly hold a child's attention unless the page was visually irresistible. And it is - starting with the cover by Ron Berg in which motifs repeated inside the book twine about the title. An owl perches on the "D" and a birdhouse dots the "I". Inside interesting and humorous illustrations erupt from every page. In the section entitled *How Birds Live* the tiny hieroglyphics of bird tracks wander across the page from a broken eggshell. The sec-

The Corporation of the Township of Snowdon

PUBLIC NOTICE

IN THE MATTER OF the Municipal Act and in the matter of a proposed by-law of the Corporation of the Township of Snowdon to stop up, close and convey that portion of the 66 foot original shore road allowance along the shore of South Lake in front of Part of Lot 5, Concession 14.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302, Sec. 298 of the Municipal Act, R.S.O. 1980, as amended, that the Council of the Corporation of the Township of Snowdon proposes to consider and if deemed advisable to pass at its regular meeting to be held at the Gelert Community Hall, Gelert, Ontario, on Monday, February 13, 1989 at 7:30 p.m., a by-law to Stop Up, Close and Convey those parcels of land more particularly described as follows:

That part of the 66 foot Original Road Shore Allowance along the shore of South Lake, in front of Part of Lot 5, Concession 14 designated as the first and second parts of Instrument Number 132795 of Preliminary Reference Plan MC-162 in the Township of Snowdon, County of Haliburton, on a plan of survey prepared by C.T. Strongman, O.L.S., dated the 9th of September, 1988.

WHICH SAID PLAN OF SURVEY may be examined at the Municipal Office of the Township of Snowdon in Gelert, Ontario.

AND FURTHER TAKE NOTICE that before passing the said by-law at its meeting to be held at the time and place above mentioned, the Council of the Township of Snowdon shall then and there hear in person, or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected by the said by-law and who applies to be heard.

DATED at the Township of Snowdon this 6th day of January, 1989.

Ernest A. Hills,
Clerk-Treasurer,
Township of Snowdon.

Construction of Minden's first arena was a tremendous undertaking back in the winter of 1949. The wood-frame structure, located where the municipal office now stands, served the community well until it was finally replaced in 1973 by the new arena and community centre. Although it is only 16 years old, Minden's new arena is experiencing structural problems caused by the amount of calcium salts on the block walls. This photograph of the construction of the original Minden arena comes to us courtesy of Deac Jackson.

Sketches are fascinating

(from page 19)

tion begins with the question "What will happen to the baby bird that hatched out of this shell?"

The sketches of birds will fascinate the young reader. There is a Nuthatch clinging to the edge of a page, a wild-eyed mother bird flattened on a nest brooding young, a wren singing so that one can almost see the throat vibrate and a Ring-billed gull scavenging french fries.

In this book, young readers will be introduced to a new and fascinating world in which they will learn how different species of birds are suited to different environments and how they may best observe birds and entice them to stay around. The book conveys to the reader the author's enjoyment of the natural world. If some of this enjoyment rubs off on the young reader, there is no knowing where this interest will lead.

Birdwise is available at book stores in paperback for \$9.95. It is also available from the Federation of Ontario Naturalists. Please add \$2.50 for postage. All proceeds of books purchased through the FON go to the education program.

Board reviews special education

The Haliburton County Board of Education is undertaking a review of the special education services offered in the county schools. These services include programs for the developmentally handicapped, slower learners, children with learning disabilities, speech and language problems, behavioural and emotional problems as well as enrichment programs for student who learn more quickly.

The steering committee, comprised of teachers, par-

ents, administrators and school trustees, has identified three areas which are to be reviewed. The first area is to examine the goals of special education in Haliburton County and to determine how well they are being implemented. The

second objective is to determine the degree of satisfaction regarding special education programs, experienced by students with special needs, their parents, teachers, administrators and trust-

tees. The third objective is to study the impact of special education services on the whole school system.

Surveys and questionnaires are presently being sent to students, graduates, teachers, parents, administrators and trustees. The data from these surveys will help the committee to evaluate the effectiveness of special education in Haliburton County and to set

goals for future needs. It is hoped that anyone receiving a questionnaire or survey will give a few minutes of their time to carefully answer the questions and make comments.

The results of the review and recommendations for change in the special education program will be presented to the board before the end of the school year.

Ski trail now open at Frost Centre

The Frost Centre, a natural resource education centre operated by the Ontario Ministry of Natural Resources, announced the opening of their cross-country ski trails recently. The Centre is located 10 km south of Dorset on Highway 35. The entrance to the ski trails system is situated on the west side of the highway, opposite the Frost Centre.

Scott Reed, the Centre's Recreation Technician, said "The six cross-country ski trails are marked, groomed and track set regularly. A seventh trail, 4 km loop, is opened in mid-January." The total 22.1 km system has been developed as an on-site demonstration of trail management undertaken by the Ministry of Natural Resources in its Winter Trails Recreation Program. Visitors should note there is a fee of \$2.00 per person for parking and cross-country ski trail use.

There are several scenic lookouts along the trails. Washrooms are located in the main building at the Frost Centre and privies have been placed near the Sugar Shack and at the two ski shelters. Both shelters are fully enclosed and heated by woodstoves. Firewood is provided at both shelters.

Special ski skating lanes will be maintained at several locations for those who wish to try this advanced technique. Skating should be done only in the designated areas so that the track setting is not damaged for others.

New bilingual signage has been added to the ski trails. The signs indicate trail lengths, directions to the nearest ski shelters and the

shortest distance back to the Frost Centre.

An added feature on each entrance is the sum of elevation gains of the uphill sections of the trail. When considered with its length this information allows people to better estimate the trail's "difficulty" rating.

Please remember, these trails form a demonstration area designed to foster a public understanding of natural resources, their management and use. Help keep them natural.

For further information write or telephone the Leslie M. Frost Natural Resources Centre, Dorset, Ontario, POA 1E0. Telephone 705-766-2451.

Ride raises \$12,800 for charity

The Ontario Easter Seals Society is almost \$13,000 richer thanks to the efforts of snowmobilers and the Rotary Club of Haliburton.

This past Saturday, the club held its annual Snowarama for Easter Seals. The event attracted 85 riders who brought with them pledges from their friends and associates. The riders had sought out donations from these individuals based on them completing the 100 km snowmobile trek.

With crisp temperatures and sunny skies, for most the ride along the groomed trails of Haliburton Forest and Wildlife property was an enjoyable experience. And, of course, the fact they were raising money for the Easter Seals Society added to the day.

Chairman of this year's event, Maurice McKee, said the initial tally indicated that \$12,800 in pledges had been received for the Haliburton Club's effort. He noted, however, that the figure could be higher, with late donations still coming in and a re-check of the preliminary figures. The confirmed amount raised was about \$1000 less than last year.

Each year the Rotary Club donates a prize for the rider who registers with the most paid-up pledges. This year, the prize was won by Rotarian Paul Wilson, who brought \$985 to the registration desk Saturday morning. The total of his pledges was \$1500.

The rider with the

Rotarian Bran Black, tops up the tank with gasoline donated by Sid Stamp Fuels, as Snowarama participant Pat Brady of Koshlong Lake waits to head out on the trail. 85 riders took part in the annual 100 km run sponsored by the Rotary Club of Haliburton in aid of the Easter Seals Society. This year's run raised \$12,800.

highest amount in pledges was John Robinson of Haliburton. He rode the circuit for \$1995.

Maurice McKee also pointed out that a faithful supporter of the Snowarama was back again this year. Dr. Lowell Hewitt and his wife Dorothy of Haliburton Lake took part again. Dr. Hewitt is 85 years of age. The couple found the ride enjoyable and fun, though a bit cold.

Two draws were held in conjunction with the Snowarama. Sharon Davis of Holland Landing

won a case of Quaker State motor oil donated by Skyline Automotive, while Dave White of Stouffville won a case of Shell motor oil, donated by Sid Stamp Fuels of Minden.

For those who wish to take part in other fund raising events for the Easter Seals Society, the

Rotary Club of Minden will be the sponsor of a second ride to be held February 11. Riders wishing to take part, can contact Ron Gambell at 286-2143 or 286-1532 for more information.

Haliburton County is Hospitality

The County has: 40 Restaurants; 5 Bed & Breakfasts; 22 Camps; 48 Resorts & Lodges; 11 Motels & Hotels; 18 Tent & Trailer Parks; and 36 Cottages & Housekeeping Cabins. If you need work, the openings are great in this industry. February 27 - May 26th a course will be run through the Bancroft - Haliburton Industrial Training Committee, to teach skills in waiter/waitressing and bar. The course will be run in the Haliburton outskirts, using a mock kitchen, along with practical job site experience. Trainee candidates are to be individuals who have been experiencing difficulty in finding work on their own and would benefit by training. This will give them an edge to enter the job market. Get ready for next summer's busy time - feel confident with well developed skills. Apply at the Haliburton Employment Centre - across from the Rails' End Gallery. 457-1316. 1D

CARD OF THANKS

The family of the late Florence Dollo express appreciation to the many individuals in the community for their kindness and support during their bereavement. Special thanks to those who made donations to the Minden Hospital, to the ladies of the Catholic Church for the luncheon, to everyone for the floral tributes, to neighbours and friends who brought food to the house, for the many mass cards and to the ambulance drivers. Our thanks also to the Monk Funeral Home, especially Cameron. We appreciate all the sympathy and kindness received.

IN MEMORIAM

SUTTON: In loving memory of our dear grand-daughter Rhea Alexis who left us on January 25, 1981.

She was only a little white rose.
A sweet little flower from birth;
God took her home to heaven
Before she was soiled on earth.

Dearly loved and sadly missed by
Grannie and Grandpa Ciolko, Uncle Brian, Auntie Beverley and cousins Shannon and Brittany.

SUTTON: In loving memory of our darling daughter Rhea Alexis who God called home on January 25, 1981.

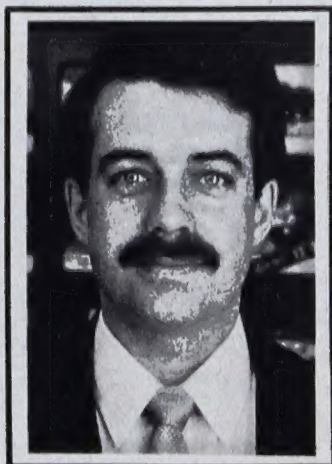

Though her smile is gone forever
And her hand we cannot touch
Still we have so many memories.
Of the one we loved so much.
Her memory is our keepsake.
With which we'll never part;
God has her in His keeping
We have her in our heart.

Always loved and never forgotten by Mom, Dad, sisters Roberta and Cira and brother Caleb.

BOWES & COCKS LIMITED REALTOR

The Gallery OF HOMES

WESLEY R. KERR

Bowes & Cocks Limited is pleased to announce that Wesley R. Kerr has recently completed the required real estate course and has joined the Minden Office of Bowes & Cocks Limited. If you are considering a Purchase or Sale of any type of Real Estate, give Wes a call and he will be pleased to assist.

AT REST

MYLES Gertrude (Gertie) V.

of Peterborough, formerly of Minden, passed away suddenly at Chedoke Hospital, Hamilton on Sunday, January 8 in her 83rd year. She was the beloved wife of the late Gordon Myles. Gertie, daughter of the late John Snell and Elizabeth Smith was born in Anson Township and lived in Minden for many years. For several years she was employed at the Minden Echo Office as typesetter. She is survived by three daughters, Elizabeth (Robert Knuckle) of Dundas, Lorna (John Plunkett) of Buckhorn, Dianne (Don Pazarat) of Oshawa; grandchildren Richard, Laura, Mark, Kelly, Dean, Ian, David and Eron; a very dear Sister Sally Westran of Ottawa. Gertie was predeceased by 5 Snell Brothers, Ernie, Garnet, Jim, Mark and Lorne and 2 Sisters Dora Welch and Flo Hewitt. A great many nephews and nieces are left to cherish her memory and will certainly miss her warm, friendly and caring love. Funeral service, conducted on Wednesday, January 11, by Rev. Josephine Mewett of Knox United Church, Peterborough, in the Kaye Funeral Chapel. Interment in Rosemount Memorial Gardens. Pallbearers: Richard and Mark Knuckle, Dean and Ian Plunkett, Jeff and Jerry Campbell.

Veal Parmigiana
Serve with a salad and fresh spinach pasta
INGREDIENTS: 300 g 1 lb. VEAL SLICES, 125 mL 1/2 cup grated Parmesan cheese, 25 mL 1 tbsp oil, 25 mL 1 tbsp butter, 25 mL 1 tbsp all purpose flour, 25 mL 1 tbsp salt & pepper, 1 egg, 25 mL 1/4 cup tomato sauce, 1 can (742 mL) tomato sauce, 125 mL 1/2 cup dry bread crumbs, pinch dried thyme, pinch oregano.
Dry veal slices. Combine flour, salt & pepper in a shallow dish. Beat egg with tomato sauce in second dish. Combine dry bread crumbs and Parmesan cheese in a third. Dip veal slices one at a time into egg, then into the cheese crumb mixture. Allow the breaded slices to set for 20 minutes before cooking. Heat oil to medium-high, add veal, then 1 tbsp (15 mL) butter. Sauté veal slices 2 or 3 at a time for about 2 minutes on each side being careful not to crowd the pan. Add more butter to the pan as necessary. Keep slices warm in the oven while sautéing remaining veal. When all slices are browned, return them to the pan, reduce the heat to medium, pour tomato sauce over veal and add a pinch of thyme and oregano to taste. Cover and simmer 10 minutes. Makes 4 servings.
